Artevia
THE ART OF CONCRETE

EXPRESS YOUR STYLE

DESIGNED TO INSPIRE

Artevia™ the Lafarge decorative concrete line, provides you with the freedom to express your style through beautiful outdoor landscapes and vibrant indoor spaces.

Artevia is much more than concrete. It is a stunningly beautiful design material with the strength and durability of concrete.

CORNSILK BEIGE

CAMOUFLAGE TAN

PREMIUM SLATE

HONEY BROWN

STANDARD EARTH TONE

ARIZONA TILE

Use this palette as a guide only. Colours are an approximation of a broom finish made with medium grey cement. Concrete colour is altered by many factors including cement colour, slump, finishing, weather and curing. We recommend a sample pour to ensure the results meet your expectations.

If your project requires a different colour then you see above, ask our Artevia experts about our custom colour system and they can help you determine if it's right for your project.
